Password assistance

To authenticate, please use the following One Time Password (OTP):

033165

Do not share this OTP with anyone. Amazon takes your account security very seriously. Amazon Customer Service will never ask you to disclose or verify your Amazon password, OTP, credit card, or banking account number. If you receive a suspicious email with a link to update your account information, do not click on the link—instead, report the email to Amazon for investigation.

We hope to see you again soon.

Create new password
We'll ask for this password whenever you Sign-In.

New password

i Passwords must be at least 6 characters.

Re-enter password

Secure password tips:

- Use at least 8 characters, a combination of numbers and letters is best.
- Do not use the same password you have used with us previously.
- Do not use dictionary words, your name, e-mail address, mobile phone number or other personal information that can be easily obtained.
- Do not use the same password for multiple online accounts.
